Week 2		
Problem Discovery	10.0	10.0
Comment: Great job with your discovery paper! Having the right digital tools to do the job is what this is all about! I know you have a great understanding of this and I appreciate you describing the scenario. Good work with identifying key areas the facilitator must address. Thanks!		
Technology Quotient	15.0	15.0
Comment: Good analysis describing the tool and what was currently in use. Even though you addressed the point that the technologies were adequate, I liked that you mentioned there was still flexibility in the lessons and what was available. This could help for future growth or change.		
Individual DQs	2.0	2.0
Comment: Great perspective in answering the discussion questions this week! Your experience lends itself to understanding the many dynamics in using technology in the classroom. Great job!		
Learning Team DQ	1.0	1.0
Comment: Great job in discussing software, hardware and conferencing aspects to reach a diverse set of learners in a technological environment. Your details about the various areas were great. Good work. I particularly liked your approach to the area of ADA. Thanks!		
Participation	2.0	2.0
Comment: Good interactions in the class! Keep up your efforts and provide your insights. Thanks!		
Week 2 Subtotal :	30	30
